PK-12 Education Strategic Vision Framework

Our vision is that all students will graduate choice ready with the knowledge, skills and disposition to be successful

We will make progress toward this vision by achieving these long-term outcomes for students

- Increase students who enter kindergarten prepared to learn
- Increase students who demonstrate reading proficiency in 3rd grade
- Increase students who meet expected learning gains each year
- Increase students who engage in learning
- Increase students who graduate choice ready
- Reduce the disparity in achievement for students in poverty and for Native American students

We will drive improvement on these outcomes through focused effort within these strategic themes

Quality early childhood education

Support for safe and healthy behaviors

Career awareness, exploration and development

Quality education personnel

Quality Student-centered Instruction
